We do not have responsibility with copyright of this book.

After losing her family and everything she knew in the Nazi concentration camps, Gerta is finally liberated, only to find herself completely alone. Without her Papa, her music, or even her true identity, she must move past the task of surviving and onto living her life.

In the displaced persons camp where she is staying, Gerta meets Lev, a fellow teen survivor who she just might be falling for, despite her feelings for someone else. With a newfound Jewish identity she never knew she had, and a return to the life of music she thought she lost forever, Gerta must choose how to build a new future.
